ANGIE'S PANTRY'S WEEKLY MEAL SERVICE TO OPEN STOREFRONT IN OAK PARK

New location at 809 South Boulevard will include a
pickup station for weekly meal services

OAK PARK, ILL 1B March 19, 2018– Angie's Pantry announces the upcoming debut of its first storefront at 809 South Boulevard in Oak Park. Scheduled to open on May 5, 2018, the Angie's Pantry retail storefront includes an expanded kitchen space for Angie's Pantry and a location for its weekly homemade meal service clients to pick up their meals.

"I'm so incredibly excited to be moving into this particular space," noted Angie Montroy, owner and head chef at Angie's Pantry. "This new kitchen is perfect for preparing and packaging the healthy meals we create each week, and the main entrance area will function as a location for clients to pick up their orders and also has amazing potential for expanding our efforts down the road." Plans for the future include offering select menu items in-house for point of sale purchasing, from baked goods to homemade salad dressings and preserves.

Currently, Angie's Pantry offers weekly a meal service starting at \$22.50 delivered, as well as soups, special grain salads and baked goods. "Our meals are freshly prepared using healthy cooking techniques and high quality ingredients. The best part? Simply warm and serve" said Montroy. "Using wholesome, nutritious ingredients, we provide an easy and quick meal solution for our clients that is satisfying and delicious, with zero preservatives, artificial ingredients, or trans fats." A revised website is

in the works to launch alongside the storefront to offer visitors a closer look at the weekly menus and will eventually also provide an online ordering system for new and continuing clients.

The Grand Opening Celebration will include a tasting menu and tours of the kitchen space. Details on plans for the grand opening will be available online at www.angiespantry.com.
